

Johnny Clark & The Outlaws

The Blues and then some....

Johnny Clark & The Outlaws features the classic, no-nonsense three-piece! With originals rooted in the American music tradition from Texas to Missouri, these guys add their own flavor to existing styles. This means Blues, sometimes crossin' over to Rock, Folk, Country or even PunkRock. They know where they come from and where they want to go. Their songs reflect their Soul and tell their tale. Any listener will feel this without a doubt. "Soul 2 Soul", so to speak!
