

DEDE PRIEST ♦ JOHNNY CLARK'S OUTLAWS USA / NL

DEDE PRIEST grew up in Texas and built an international name for herself by performing relentlessly over the years. This musician, with her impressive voice, guitar, and violin, maneuvers between authentic Blues, (Southern) Rock, Soul, Jazz, Gospel, and Folk, recalling memories of Sister Rosetta Tharpe, Big Mama Thornton, Etta James, Don Sugar cane Harris, Freddie King, and T-Bone Walker. **JOHNNY CLARK'S OUTLAWS** is a classic three-piece from The Netherlands with a sound and style rooted in the American music tradition. DeDe Priest and Johnny Clark's Outlaws have developed a unique and recognizable sound that blends Blues with elements of Rock, Soul, Gospel, Folk, and Country. Their first CD, "**FLOWERS UNDER THE BRIDGE**" (released December 2017), has received exceptional reviews. Their shows bring original songs and deliver a loaded atmosphere where a modern-day, cross-over style emerges.

"If you are a sucker for energy driven Rock, Blues, Indie Rock, a dash of Funk and Country fronted by a Texan woman who has a mesmerizing and haunting voice, have I got a band for you ... This is a match truly made in music heaven ... Their songs reek of originality in both lyrics and musical attack ... This band is simply amazing ... The energy they deliver with just four musicians is beyond what words can describe ..." **BLUES BLAST MAGAZINE, USA**
